AMENDMENT NO. 1 TO LINEN AND LAUNDRY SERVICES AGREEMENT

This Amendment No. 1 (this "Amendment") is made on 21 September 2026 between Skelbrook Textile Care, Inc. ("Provider") and Vellacourt Valley Health Partners ("Customer").

Background

A. Provider and Customer are parties to a Linen and Laundry Services Agreement dated 2 March 2026 (the "Agreement").

B. The parties wish to change the renewal notice period in the Agreement and to give Provider temporary relief from the turnaround time at one Facility while Provider refits its plant.

Agreed terms

1. Effective date. This Amendment takes effect on 21 September 2026 (the "Amendment Effective Date"). Capitalised terms used but not defined in this Amendment have the meanings given in the Agreement.

2. Replacement of Section 7.2. Section 7.2 of the Agreement is deleted in its entirety and replaced with the following:

> "7.2 This Agreement renews automatically at the end of the Initial Term and at the end of each Renewal Term for a further term of twelve (12) months (each a "Renewal Term") unless either party gives the other written notice of non-renewal not less than one hundred fifty (150) days, and not more than two hundred ten (210) days, before the end of the then-current Term. A notice of non-renewal given outside that period has no effect."

3. Temporary turnaround time for the Tamsley Annex. For Linen collected from the Tamsley Annex during the period from 1 January 2027 to 31 December 2027 only, Section 4.3 of the Agreement applies as if the words "forty-eight (48) hours" read "seventy-two (72) hours". Section 4.3 is not otherwise amended and continues to apply without change to every other Facility, and to the Tamsley Annex for Linen collected outside that period.

4. Turnaround reduction. For clarity, during the period described in Section 3 of this Amendment, Section 4.4 of the Agreement applies to Linen collected from the Tamsley Annex by reference to the seventy-two (72) hour period.

5. References. References in the Agreement to Section 7.2, including the reference in Section 7.4, are references to Section 7.2 as replaced by this Amendment.

6. Matters not amended. Section 6.2 (claims for lost or damaged Linen) and Section 7.3 (pricing for a Renewal Term) are not amended. Except as set out in this Amendment, the Agreement continues in full force and effect.

7. Conflict. If there is any conflict between this Amendment and the Agreement, this Amendment prevails.
